

VicNet

VicNet is an online portal that allows you to access the Raiders Hockey Club Volunteer Database. Through this portal you can:

- Receive news and messages from Raiders HC
- View and manage your schedule (sign up for shifts)
- Review your service history
- Keep your personal information up-to-date

You can use the VicNet or VicTouch apps to access the portal using a mobile device. The apps are available on iOS and Android devices and can be downloaded from the App Store or on Google Play

1. Download the VicNet App
2. Open App, sign in using your email address/password
3. Access the calendar to be able to sign up and view upcoming shifts

To remove a shift – please contact the Director of Volunteers at director-volunteers@raidershc.ca

- This function has been disabled in the system so that shifts cannot be cancelled without giving notice, thereby potentially avoiding having no volunteers available for a specific shift at the last moment.
