

Parent Code of Conduct for Evaluations

1. I understand that the purpose of the evaluation process is to place players on appropriate teams based on skill level.
2. I will not seek out evaluators, data entry volunteers, or coordinators to solicit results for any player(s) before, during, or after ice times.
3. I will always conduct myself in a responsible and courteous manner while in the arena and parking lot during the entire evaluation process. This includes but is not limited to conducting myself in a manner that is supportive of my own child and other players, remaining quiet and respectful while observing evaluations, and not coaching or shouting from the spectator area.
4. I will set an example of model behavior for my child during the evaluation process.
5. I will not hinder or interfere with the evaluation process.
6. I will emphasize good sportsmanship to my child and realize that behaving in an unsportsmanlike manner can impact the player evaluations.
7. If I disagree with the way in which the evaluations were carried out, I will use the appropriate escalation process.
8. I will be a fan of all the players, not just my own.
9. I have completed the Respect in Sport training and understand that all Hockey Calgary Respect in Sport rules apply.
10. I understand that a breach in any of the above may result in my removal from the arena.
