Raiders (UXX - X) Team Start Up Survey

Hello! Please take a few moments to fill out the form below. To plan our season, it is important to involve parent voice and receive your feedback as we look ahead to our team-based activities, events and decisions.

** Indicates required question*

Cash Call: This is a fee we agree to pay to support our team in order start the season. This fee is used to cover team operation costs until we are able to bring in fundraising dollars but can also be used to support team operational costs throughout the season. What is a reasonable cash call for your family? *

- \$100 (Max. U7)
- \$150 (Max. U9)
- \$200 (Max. U11)
- \$250 (Max. U13-U21)

Cash Call Return: Ideally the cash call is a means of funding that is intended to "float" the team until funds earned through fundraising are collected. This said, it can be used to also support the team throughout the season. Ideally, if fundraising is successful, the cash call can be returned at the end of the season. Please share with us your preference around returning the cash call. *

- Ideally, we would like our full cash call returned, but we also know that this may not always be possible, and we are fine if it is not returned or if only a portion is returned.
- We would like every effort to have our full cash call returned.
- We would like our cash call to be used to support the team rather than worry about fundraising.
- We have no preference.

Fundraising: The primary avenue to fund team activities and events is fundraising. How willing is your family to fundraise for our team? (Responses to this question will determine how we go about fundraising this year and the frequency of events). *

- Very willing
- Somewhat willing
- Not really interested in fundraising
- We would prefer to make an additional donation, on top of the cash calls, rather than fundraise.

Funds Distribution: There are a variety of ways to distribute funds brought in from fundraising events. Our team will do so as a collective, meaning all funds raised by all players will go into a collective pot for equal

distribution and use by the team. This means that all players will be expected to contribute within minimum effort (which will be determined up front) for each fundraising event. *

- We agree with this distribution method.
- We do not agree with this distribution method.
- We would like to see this discussed further.

Fundraising Ideas: Please provide our Fundraising Coordinator with some ideas for fundraising activities for the team. Ideas and feedback from you will determine what fundraising activities we will undertake.

Tournaments: Hockey Calgary has limitations on the number of tournaments in which teams are able to participate. How many tournaments do you feel it is reasonable for our team to attend? *

Hockey Calgary Limits:

- U7JR: 2 Tournaments/Jamborees (1 out of town)*
- U7SR: 3 Tournaments/Jamborees (1 out of town)*
- U9: 3 Tournaments (2 out of town)*
- U11-U18: 4 Tournaments (2 out of town)*

- 1
- 2 (Max. for U7 Jr.)
- 3 (Max. for U7 Sr. and U9)
- 4

Out of Town Tournaments: How many out-of-town tournaments would your family be willing to attend (pending details)? *

- 1 (Max. for U7)
- 2 (Max. for U9-U18)

Extra Ice & Development: Are you interested in the option of booking extra ice time for the team or development sessions and/or dryland sessions, outside of what is assigned to us by the club, if possible? *

- Yes
- No

Team Apparel: Are you interested in exploring team apparel? For example, team hoodies, jackets, or practice jersey with player name and number? *

- Yes

- Yes, but only if it comes at no additional cost to our family.
- No, we are not interested.

Social Events: Please provide our Social Coordinator with some ideas for social activities for the team.

Other Feedback or Information: Everything you share here is confidential. Is there anything else you'd like us to consider as we plan this season? Do you have any further comments or ideas to share?
